Strategic information & media for Senior Business Leaders

Leaders League Group delivers strategic information for decision making as well as digital media platforms for senior executives at the international level. We connect C-suite leaders to a dynamic network of business information and people sharing a common passion : excellence in leadership and management.

Leaders League delivers up-to-date news, in-depth analysis and business insights through a range of formats, from magazine to Market Intelligence Reports, B to B events and online services.

Leaders League brand family includes DECIDEURS Magazine, Market Intelligence Reports, Web Media Center and digital employer branding platform.

Market Intelligence Reports & Top Company Rankings

Market Intelligence Reports provide annual compilation of industry benchmarks, **top company rankings** and **company directories**.

17 yearly issues deal with trends impacting economy and businesses in different industry verticals. They also examine the critical issues that will shape the industry future.

Décodeurs Magazine

11 monthly issues of DECIDEURS Magazine cover a broad range of subjects with an editorial focus on Leadership, Management and Strategy, Investors and Capital Markets, Politics, Law and Regulatory frameworks.

Web Media Center

Leadersleague.com website features news for leaders about business, leadership and key people.

It provides industry insights as well as a research tool to browse **Top company rankings** and **directories**.

It features video section as well as data for subscribers, including free access to searchable archive.

Summits and Awards for TOP Executives

Leaders League is the leading provider of international summits and awards that enable senior executives to share innovative strategies, best practice, expert opinion and views. Each member benefits directly from access to a wide network of industry leaders, opinion makers and peers.
